

Local Government Act 1993 Section 68

COFFS HARBOUR
CITY COUNCIL

Standard Conditions:

1. Compliance with the Food Act 2003 and the Food Regulation 2010 and the Australian New Zealand Food Standards Code.
2. Insurance policy coverage in respect to public and products liability of an amount of not less than \$20 million (for each accident or event).
3. No offensive noise, light or waste pollution caused, in accordance with the Protection of the Environment Operations Act 1997.
4. No signage is to be erected, unless directly attached to the mobile vending vehicle.
5. Compliance with NSW Road Rules including parking/regulatory signposting required at all times.
6. Any changes made to the business, such as ownership, equipment or food sold, must be notified to the issuing Council.
7. Food businesses approved under Section 68 **must not** operate:
 - a) As a roadside stall.
 - b) On any public land or reserve (i.e. council reserve, park, beach, car park etc.) without the prior approval of council's land manager.
 - c) As a stall to sell food to the public on any site that first requires development consent under the Environmental Planning and Assessment Act 1979 for that use
 - d) During the hours of darkness without additional council approval unless otherwise associated with an approved event.
8. A copy of this approval document is to be retained on site at all times while the business is trading and must be available for inspection at the request of an authorised officer.
9. When operating outside the boundaries of the issuing authority, it is the responsibility of the food business to ensure compliance with local Section 68 approval conditions in all local government areas that they trade ¹. Local conditions of other Councils take precedent when trading with their Local Government Area.

¹Some Councils may require the food business to obtain additional Section 68 Approval to operate within their borders. It is the responsibility of the food business to ensure they are familiar with and adhere to all applicable conditions.

Coffs Harbour City Council Local Conditions

10. Food businesses approved under Section 68 are permitted to trade:
 - a) By standing on a public road for up to **15 minutes** at a time, or longer whilst serving customers and must keep moving once customers have been served. After stopping to trade, the business must drive at least **100 metres** before stopping again to trade.
11. Food businesses approved under Section 68 **must not** operate:
 - a) Within a radius of **200 metres** of an existing trading food business selling similar or the same product, on days when the food outlet is open for business.
