COFFS HARBOUR CITY COUNCIL
SUPPLEMENTARY MEETING
(LAND USE, HEALTH & DEVELOPMENT COMMITTEE)
7 SEPTEMBER 2006

Mayor and Councillors

MAYORAL MINUTE

COUNCIL MEETING - NOVEMBER 2006

Purpose:

To propose that Council hold one of its meetings for the month of November in Coramba.

Summary:

2006 is the Centenary of the proclamation of the Dorrigo Shire Council and later following boundary adjustments became Coffs Harbour Shire Council in 1956.

Coramba Town Hall was the historic site for Shire business and meetings of the elected Council.

In keeping with the spirit of the shire centenary celebrations I propose that Council hold one of its meetings scheduled for November at Coramba.

I also propose a small social function be held following the meeting in conjunction with the local community.

This is a time when Coffs Harbour City Council can celebrate and honour its rich heritage.

Recommendation:

That the Ordinary meeting of Council scheduled for the third Thursday in November (16 November 2006) be held at Coramba in the Coramba Community Hall.
