Note 1. A moveable dwelling is defined as:

- a) any tent, or caravan or other van or other portable device (whether on wheels or not), used for human habitation, or
- b) a manufactured home, or
- c) any conveyance, structure or thing of a class or description prescribed by the regulations for the purpose of this definition.

Note 2. Plans to accompany applications for approval:

1. An application for approval to install a moveable dwelling must be accompanied by the following:
 - a) two copies of the plans and specifications for the moveable dwelling,
 - b) two copies of the plans and specifications for any fences already erected or to be erected,
 - c) two copies of the site plan of the land,
 - d) two copies of a sketch plan of the moveable dwelling, indicating its height and proposed external configuration as installed, in relation to its site.
2. The plans for the moveable dwelling required by this clause must be drawn to a suitable scale and must not be less than A4 size.
3. The plans required by this clause must show the following:
 - a) a plan of each floor section,
 - b) a plan of each elevation,
 - c) the levels of the lowest floor and of any yard or unbuilt-on area belonging to that floor and the levels of adjacent ground,
 - d) the height, design, construction and provision for fire safety and fire resistance (if any).
4. If:
 - a) the plans and specifications relate to a proposal to carry out any alteration or rebuilding of an existing moveable dwelling, or
 - b) it is proposed to modify plans and specifications that have been submitted to the Council, both copies of the plans are to be coloured or marked to adequately distinguish the proposed alteration, rebuilding or modification.
5. The specification of the moveable dwelling:
 - a) must describe the construction and materials of which the moveable dwelling is to be built and the method of drainage, sewerage and water supply, and
 - b) must state whether the materials will be new or second-hand and give particulars of any second-hand materials to be used.
6. This does not apply to moveable dwellings that are capable of being registered under the *Road Transport (Vehicle Registration) Act 1997*.

Note 3. Dates of Occupancy:

You will need to provide an estimate of the construction time that will be required to complete the proposed dwelling and indicate the extent of time for which the permit is sought. Camping permits will generally not be considered for periods longer than 12 months.
