We will only arrange for funds to be debited from your account as authorised in the Direct Debit Request

If the debit day falls on a day that is not a banking day, we may direct your financial institution to debit your account on the following banking day.

If you are unsure about which day your account has or will be debited you should ask your financial institution.

It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a debit payment to be made in accordance with the Direct Debit Request.

If there are insufficient clear funds in your account to meet a debit payment:

- You may be charged a fee and/or interest by your financial institution;
- You may also incur fees or charges imposed or incurred by us; and
- You must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment.

You should check your account statement to verify that the amounts debited from your account are correct.

If Coffs Harbour City Council is liable to pay goods and services tax ("GST") on a supply made in connection with this agreement, then you agree to pay Coffs Harbour City Council on demand an amount equal to the consideration payable for the supply multiplied by the prevailing GST rate.
