

VISION - AIMS - OBJECTIVES

Gillibri Crescent Reserve is a Local Recreational Reserve as outlined by the Open Space Strategy (2010).

The reserve currently provides local public open space with a small basic playground that services the local neighbourhood. The playground is aged and requiring replacement.

The vision for Gillibri Crescent Reserve is to create a local neighbourhood reserve that provides a diversity of play opportunities within a safe walking distance of nearby homes.

- Upgrade of the existing playground with a variety of equipment designed for children up to 12 years of age
- Provide a meeting place with shade and seating opportunities that attract and cater for families and small groups.
- Encourage inclusive play through a variety of play opportunities.
- Enhance local neighbourhood amenity, improving permeability and encouraging active and passive recreation.
