

Terms of Reference: Audit Risk and Improvement Committee

Coffs Harbour City Council (Council) has established an Audit, Risk and Improvement Committee in compliance with section 428A of the *Local Government Act 1993*. These terms of reference set out the Committee's objectives, authority, composition and tenure, roles and responsibilities, reporting and administrative arrangements.

1 Objective

The objective of Council's Audit, Risk and Improvement Committee is to provide independent assurance to Council. This is achieved by monitoring, reviewing and providing advice about the Council's governance processes, compliance, risk management and control frameworks, external accountability obligations and overall performance.

2 Independence

The Committee is to be independent to ensure it has no real or perceived bias or conflicts of interest that may interfere with its ability to act independently and provide Council with robust, objective and unbiased advice and assurance.

The Committee is to provide an advisory and assurance role only. It has no administrative function, delegated financial responsibility or any management functions of the Council. The Committee will provide independent advice to the Council that is informed by the Council's internal audit and risk management activities and information and advice provided by council staff, relevant external bodies and subject matter experts.

The Committee must at all times ensure it maintains a direct reporting line to and from the Council's internal audit function and act as a mechanism for internal audit to report to the governing body and General Manager on matters affecting the performance of the internal audit function.

3 Authority

Council authorises the Committee, for the purposes of exercising its role and responsibilities, to:

1. access any information it needs from the Council
2. use any Council resources it needs

3. have direct and unrestricted access to the General Manager and senior management of the Council
4. seek the General Manager’s permission to meet with any other Council staff member or contractor
5. discuss any matters with the external auditor or other external parties
6. request the attendance of any employee at committee meetings, and
7. obtain external legal or other professional advice, subject to prior written approval of either the General Manager or the Group Leader Governance Services.

Information and documents pertaining to the Committee are confidential and are not to be made publicly available. The Committee may only release Council information to external parties that are assisting the Committee to fulfil its responsibilities with the approval of the General Manager, except where it is being provided to an external investigative or oversight agency for the purpose of informing that agency of a matter that may warrant its attention.

4 Composition and tenure

The governing body is to appoint the Chair and members of the Committee. The Chair is counted as one member of the Committee. The composition is:

| | |
|-----------------------|---|
| Mr Peter Van Der Eijk | Independent chair (voting) |
| Mr Andrew MacLeod | Independent member (voting) |
| Mr Barry Ford | Independent member (voting) |
| Cr Rodger Pryce | One Councillor members (non-voting) if applicable |

All committee members are to meet the independence and eligibility criteria prescribed in the *Guidelines for risk management and internal audit in local councils in NSW*.

Members will be appointed for a four-year period. Members can be reappointed for a further term, but the total period of continuous membership cannot exceed eight years. This includes any term as Chair of the Committee. Members who have served an eight-year term (either as member or Chair) must have a two-year break from serving on the Committee before being appointed again. To preserve the Committee’s knowledge of

Council, ideally, no more than one member should leave the Committee because of rotation in any one year.

Specific member terms and conditions are to be disclosed in a letter of appointment. New members will be thoroughly inducted to their role and receive relevant information and briefings on their appointment to assist them to meet their committee responsibilities.

Prior to approving the reappointment or extension of the Chair's or an independent member's term, the governing body is to undertake an assessment of the Chair's or committee member's performance. Reappointment of the Chair and members is also to be subject to the individual still meeting independence and eligibility requirements.

Members of the Committee are to possess and maintain a broad range of skills, knowledge and experience relevant to the operations, governance and financial management of Council, the environment in which Council operates, and the contribution that the Committee makes to the Council. At least one member of the Committee must have accounting or related financial management experience, with an understanding of accounting and auditing standards in a local government environment. All members should have sufficient understanding of the Council's financial reporting responsibilities to be able to contribute to the Committee's consideration of the Council's annual financial statements.

5 Role

In accordance with section 428A of the *Local Government Act 1993*, the role of the Committee is to review and provide independent advice to the Council regarding the following aspects of the Council's operations:

1. compliance
2. risk management
3. fraud control
4. financial management
5. governance
6. implementation of the strategic plan, delivery program and strategies
7. service reviews
8. collection of performance measurement data by the Council, and
9. internal audit.

The Committee must also provide information to the Council for the purpose of improving Council's performance of its functions.

The Committee's specific audit, risk and improvement responsibilities under section 428A are outlined in Schedule 1 to this charter.

The Committee will act as a forum for the Council's internal audit function and oversee its planning, monitoring and reporting to ensure it operates effectively.

The Committee will have no power of direction over external audit or the manner in which the external audit is planned or undertaken, but will act as a forum for the consideration of external audit findings.

The Committee is directly responsible and accountable to the governing body of the Council for the exercise of its responsibilities. In carrying out its responsibilities, the Committee must at all times recognise that primary responsibility for management of the Council rests with the governing body and General Manager.

The responsibilities of the Committee may be revised or expanded in consultation with, or as requested by, the governing body of the council from time to time.

6 Responsibilities of members

6.1 Independent members

The Chair and members of the Committee are expected to understand and observe the requirements of the *Guidelines for risk management and internal audit for local government in NSW*.

2. contribute the time needed to review and understand information provided to it
3. apply good analytical skills, objectivity and judgement

6. maintain effective working relationships with the Council
7. have strong leadership qualities (Chair)
8. lead effective committee meetings (Chair), and
9. oversee the Council's internal audit function (Chair).

3. advise the governing body/board (as necessary) of the work of the Committee and any issues arising from it, and
4. assist the governing body to review the performance of the Committee.

Issues or information the councillor member raises with or provides to the Committee must relate to the matters listed in Schedule 1 and issues being considered by the Committee.

The councillor member of the Committee must conduct themselves in a non-partisan and professional manner. The councillor member of the Committee must not engage in any conduct that seeks to politicise the activities of the Committee or the internal audit function, or conduct that could be seen to do so.

If the councillor member of the Committee engages in such conduct or in any other conduct that may bring the Committee and its work into disrepute, the Chair of the Committee may recommend to the Council, that the councillor member be removed from membership of the Committee. Where the Council does not agree to the Committee Chair's recommendation, the Council must give reasons for its decision in writing to the Chair.

6.3 Conduct

Independent committee members are required to comply with the Council's Code of Conduct and be held to the same ethical, behavioural and conduct standards as officials of the council.

Complaints or breaches of Council's Code of Conduct by an independent committee member are to be dealt with in accordance with the Procedures for the Administration of the Model Code of Conduct for Local Councils in NSW. The General Manager must consult with the governing body before taking any disciplinary action against an independent committee member in response to a breach of the Council's Code of Conduct.

Prequalified Committee members are also required to comply with the code of conduct governing the NSW Government's Audit and Risk Committee Independent Chairs and Members Prequalification Scheme.

6.4 Conflicts of interest

Once a year, Committee members will provide written declarations to the Council stating that they do not have any conflicts of interest that would preclude them from being members of the Committee. Independent committee members are 'designated persons' and must also complete and submit returns of interest.

Committee members and observers must declare any pecuniary or non-pecuniary conflicts of interest that may have at the start of each meeting, before discussion of the relevant agenda item or issue, and when the issue arises. Where committee members and observers are deemed to have a pecuniary or a significant non-pecuniary conflict of interest, they are to remove themselves from Committee deliberations on the issue. Details of any conflicts of interest should also be appropriately minuted.

6.5 Standards

Committee members are to conduct their work in accordance with the International Standards for the Professional Practice of Internal Auditing issued by the Institute of Internal Auditors and the Australian risk management standard AS ISO 31000:2018, where applicable.

7 Workplans

The work of the Committee is to be thoroughly planned and executed to ensure that all Council activities and functions are reviewed. The Committee must develop a strategic plan every four years to ensure that all matters listed in Schedule 1 are reviewed by the Committee and the internal audit function over each Council term. The strategic plan must be reviewed at least annually to ensure it remains appropriate.

The Committee may, in consultation with the Council's governing body, vary the strategic work plan at any time to address new or emerging risks. The governing body of the Council may also, by resolution, request the Committee to approve a variation to the strategic work plan. However, any decision to vary the strategic work plan must be made by the Committee.

The Committee must also develop an annual workplan to guide its work, and the work of the internal auditor, over the forward year.

The Committee may, in consultation with the Council's governing body, vary the annual work plan to address new or emerging risks. The governing body of the Council may also, by resolution, request the Committee to approve a variation to the annual work plan. However, any decision to vary the annual work plan must be made by the Committee.

When considering whether to vary the strategic or annual work plans, the Committee must consider the impact of the variation on the internal audit function's existing workload and the completion of pre-existing priorities and activities identified under the workplan.

8 Assurance reporting

The Committee must regularly report to the Council to ensure that the Council is kept informed of matters considered by the Committee and any emerging issues that may influence the strategic direction of the Council or the achievement of the Council's goals and objectives.

The Committee will provide an update to the governing body and General Manager of its activities and opinions after every Committee meeting.

The Committee will provide an annual assessment to the governing body and General Manager each year on the Committee's work and its opinion on how Council is performing.

The Committee will provide a comprehensive assessment every council term of all the matters listed in Schedule 1 to the governing body and General Manager.

The Committee may at any time report to the governing body or General Manager on any other matter it deems of sufficient importance to warrant their attention. The Mayor and Chair of the Committee may also meet at any time to discuss issues relating to the work of the Committee.

Should the governing body require additional information, a request for the information can be made to the Chair by resolution. The Chair may only provide the information requested by the governing body where the Chair is satisfied that it is reasonably necessary for the governing body to receive the information for the purposes of performing its functions under the *Local Government Act*. Individual councillors are not entitled to request or receive information from the Committee.

9 Administrative arrangements

9.1 Meetings

The Committee will meet at least four times per year, including a special meeting to review the council's financial statements.

The Committee can hold additional meetings when significant unexpected issues arise, or if the Chair is requested to hold an additional meeting by a committee member, the General Manager or the governing body.

Committee meetings can be held in person, by telephone or videoconference. Proxies are not permitted if a member is unable to attend a meeting.

A quorum will consist of a majority of independent voting members. Where the vote is tied, the Chair has the casting vote.

The Chair of the Committee will decide the agenda for each committee meeting. Each committee meeting is to be minuted to preserve a record of the issues considered and the actions and decisions taken by the Committee.

The General Manager and head of the internal audit function are to attend committee meetings as non-voting observers. The external auditor (or their representative) is to be invited to each committee meeting as an independent observer. The Chair can request

the Council's Group Leader Financial Services, Risk Coordinator, Directors, any councillors, any employee/contractor of the council and any subject matter expert to attend committee meetings. These individuals must attend and provide any information requested, where possible. Observers have no voting rights and can be excluded from a meeting by the Chair at any time.

The Committee must meet separately with both the Council internal auditor and the Council external auditor at least once per year.

9.2 Dispute resolution

Members of the Committee and the Council management should maintain an effective working relationship and seek to resolve any differences they may have in an amicable and professional way through discussion and negotiation.

In the event of a disagreement between the Committee and the General Manager or other senior managers, the dispute is to be resolved by the governing body of the council.

Unresolved disputes regarding compliance with statutory or other requirements are to be referred to the Secretary of the Department of Planning and Environment in writing.

9.3 Secretariat

The General Manager will appoint a Council employee to provide secretariat support to the Committee. The secretariat will ensure the agenda for each meeting and supporting papers are circulated after approval from the Chair at least one week before the meeting and ensure that minutes of meetings are prepared and maintained. Minutes must be approved by the Chair and circulated within one week of the meeting to each member.

9.4 Resignation and dismissal of members

Where the Chair or a Committee member is unable to complete their term, or does not intend to seek reappointment after the expiry of their term, they should give four weeks' notice to the Chair and governing body prior to their resignation to enable the Council to ensure a smooth transition to a new committee member.

The governing body can terminate via resolution the engagement of any Chair or independent committee member before the expiry of their term where the individual has:

1. breached the conditions of, or become ineligible under the NSW Government's Audit and Risk Committee Independent Chairs and Members Prequalification Scheme (if appropriate)
2. breached the council's Code of Conduct
3. performed unsatisfactorily or not to expectations
4. been declared bankrupt or found to be insolvent
